

OAKHILL FARM MEAT

Rather than send our cattle to market and not know how it is treated, we sell beef to our friends and relatives. This is all legal as we use the services of a licensed butcher for all aspects of the process.

Should you be interested in buying bulk beef at very reasonable rates please speak to us and return the form below/over.

The beef you buy will be:

- ✓ Approx. one year old Murray Grey or Murray Grey X .
- ✓ Hung for approx. 7 - 10 days after slaughter.
- ✓ Tray packed, labelled and snap frozen.
- ✓ Delivered to your work site or home at a price to be negotiated.
- ✓ \$6.80 per kilo of dressed weight beef.
- ✓ Meat from each of the cuts listed on the form (see below/over) according to your selection.
- ✓ Minimum orders are for one half of the dressed weight of the carcass.

Please make your selection of cuts from the choices shown on the order form (over/below).

If the cost of a half seems too much, share the meat (and thus the expenses) with a friend.

So make space in the freezer, order now and enjoy excellent yearling beef.

Please contact us for details of availability and delivery arrangements/costs.
